Car Wash Fundraiser

“It’s that time of year again”. On December 17, 2016, the Annual Car Wash benefiting Catholic Youth Sports and the Basilica School of Saint Paul student athletes. A time when all of our student athletes come out to share in fun activities, friendships, and school pride. These moments capture the joy and spirit of caring for one another throughout the whole school year. With your financial contribution, our school will continue to educate the whole student “spiritually and mentally”.
